

# Scarlet Girl Recycling Are you Sexsustainable?

*Love yourself and the earth.*

- Is that broken Jack Rabbit just taking up space in your sock drawer?
- Cleaning out the ol' toy box after a breakup?
- Has your Bullet lost its firepower?

Well, you can stop throwing that stuff in the trash!

Trade your unwanted or broken sex toys for a **\$10 credit** on your next online purchase from Scarlet Girl™.

Follow these easy steps to get your Sexsustainability™ credit. It's as easy a **ONE, TWO, GREEN!**

## STEP ONE

- If your toy takes batteries, please remove them. There are already many local green solutions for recycling batteries; plus this saves you money on shipping.
- Disinfect your unwanted sex toys by soaking them in a 10% solution of bleach for 10 minutes and let them air dry completely. **Please don't send anything wet or dirty! If it's too gross to handle, we won't be able to process your credit.**

## STEP TWO

- Place your cleaned sex toy(s) in a plastic bag. Complete this form\* and place it in a box\* with your bagged sex toys, and ship the whole thing to us at:

SG Recycle!  
5331 SW Macadam Avenue  
Suite 258-409  
Portland, OR 97239

- That's it – we do the rest!

\* This form must be filled out completely to claim your credit. Please allow up to 3 weeks plus shipping time for us to process your credit. *All shipping charges and taxes apply to this offer.*

\* We will recycle any paper and packing material. This form was created using Spranq eco sans font, so you use 20% less ink to print this form. Visit [www.ecofont.eu](http://www.ecofont.eu) for more info or to download the font.

## GREEN!

- **OUR GREEN:** Scarlet Girl™ will recycle your unwanted or broken toys.

- **YOUR GREEN:** After we receive your package of unwanted or broken toys with your completed form, we will email an electronic copy of your **\$10 credit**.

Offer only applies to actual sex toys! Sending us empty lipstick tubes or a length of old garden hose doesn't count!  
Plenty of examples of "sex toys" can be seen on our beautiful website at [www.ScarletGirl.com](http://www.ScarletGirl.com).
